SFO15-103: Cross-Distribution BoF

Presented by

Steve McIntyre, Riku Voipio,
Wookey

Date

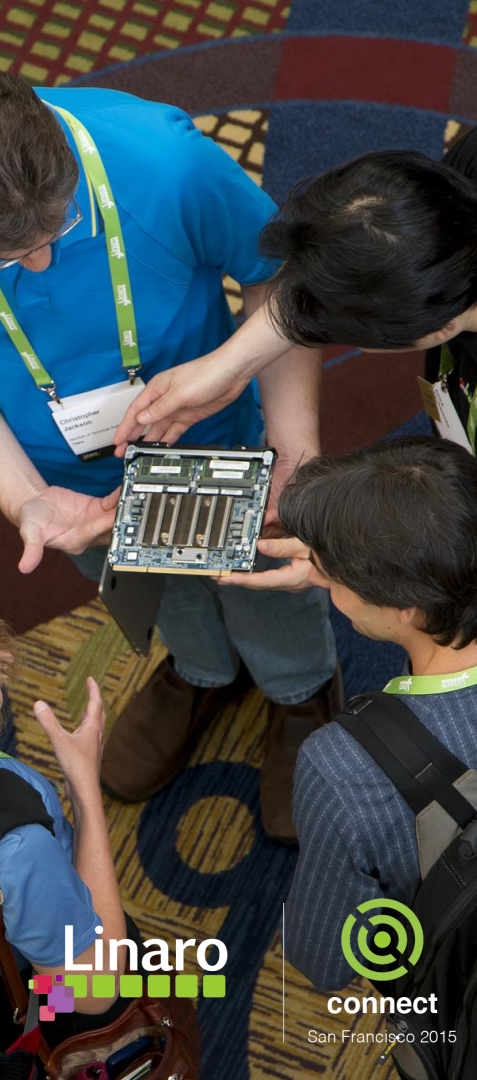

Monday 21 September 2015

Event

SFO15

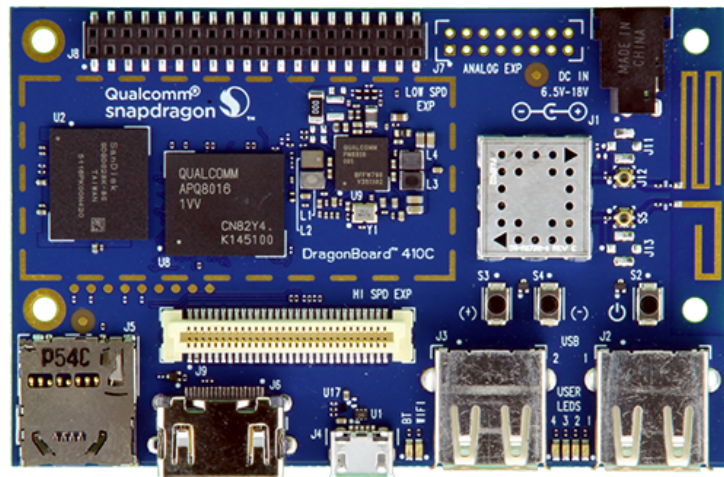

Objectives for the meeting

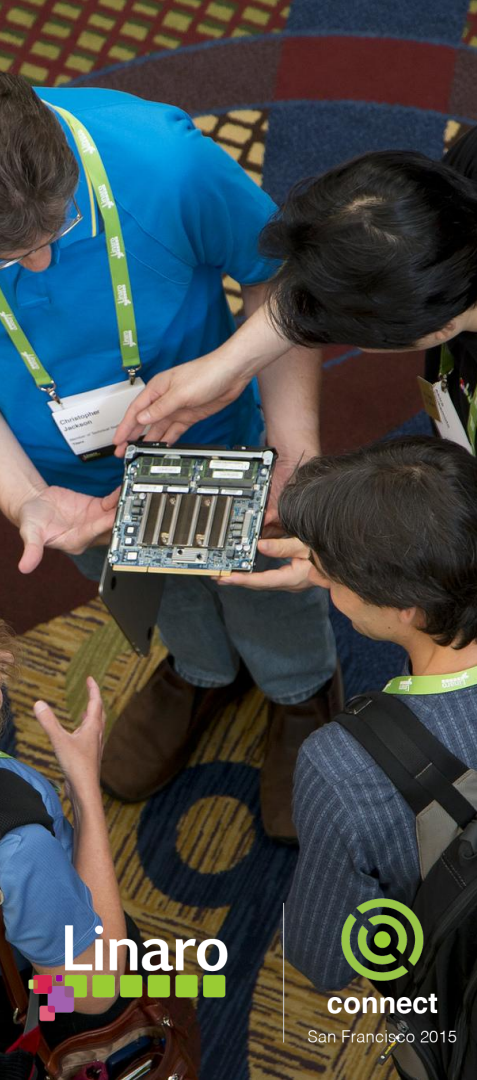

- Review status of ARM based Linux Distributions
- Find common challenges
- Create actions for Linaro to work on :)
- Big-endian interest?

Changes since last meeting

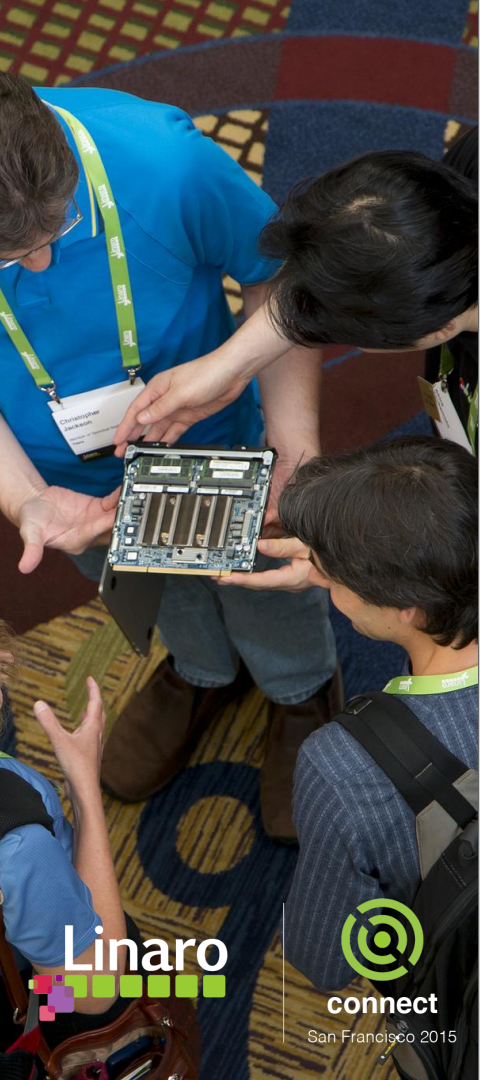

- Cheap aarch64 hw available!
- CentOS for aarch64
- Now available on Aarch64: nodejs v4.0, golang 1.5

Linaro distribution activities

- Porting to Aarch64
- Focus on Debian, OpenEmbedded and Red Hat
- Kernel unification

BoF away!

Linaro
